MEET FORMAT

Thursday will consist of a full-schedule, traditional invitational. Heats and flights will be seeded by times and entry marks. Reasonable minimum mark 'hog' lines may be established in select field events to ensure quality competitive opportunities while promoting effective meet flow. Select running events will be qualifying rounds for a Saturday evening final during the Premiere Sun Angel Classic, which is the featured evening section. All other events (including all field events) will be concluded, awards distributed, and points scored on Thursday evening. Start lists for Saturday's finals will also be distributed on Thursday evening, along with Saturday instructions and admission wristbands. Saturday's finals will be combined with Thursday's scores to count toward overall team scores. Saturday's individual event awards will be awarded after the conclusion of each event. Overall team awards will be presented at the conclusion of Saturday's Premiere portion.

ADMISSION

Please see below for team/competitor entry details. Spectator entry will be \$7 for a day pass or \$10 for a two-day pass (admission for both Thursday, April 5, and Saturday, April 7). Two-day passes must be presented on Saturday, April 7, for admission.

ENTRIES PER SCHOOL

Each school will be allowed to submit four (4) competitors in each running and field event although scratches may occur if the 'hog line' minimum is highly unlikely. Our goal is to be all inclusive with participation, but this is meet is not a 'practice session' to learn new events and we will be proactive to ensure a quality and efficient competitive opportunity. There may also be minimum mark standards for measurement in the long jump, triple jump, shot put, and discus throw [these standards will be very reasonable based upon entries as, again, we aim for competitive and timely opportunities for all participants]. Each team will be allowed to enter one (1) relay team in each relay event. Running heats will be slowest to fastest. Lane assignments/flight

assignments will be in team packets and at packet pick-up for individual entries. Teams with unpaid entry fees will not be allowed to pick up their team packet until entry fees are paid.

ENTRY INFORMATION

Please enter athletes at www.athletic.net (links will be made available on www.thesundevils.com on March 14). Entries need to be entered via athletics.net NO LATER THAN noon on Monday, April 2, 2012 (NO EXCEPTIONS). There will be no day-of competition registration for the meet. Substitutes and scratches may occur until 5pm on Wednesday, April 4. All athletes scratched after 5pm on Wednesday, April 4, will be removed from all other events in the meet.

ENTRY FEE

The entry fee will be \$175 per gender per school. Teams are defined as 10 or more individuals representing the same school. Individual entries are \$20 (individuals are welcome to register and compete at the event but must represent their school). Checks and purchase orders are due by Friday, April 1, 2011. Please make out entry payments or PO to "Arizona State University" and mail to "ASU Track & Field, PO Box 872505, Tempe, AZ 85287." If a physical address is required, please use "ASU Track & Field, 500 E. Veteran's Way, Tempe, AZ 85287."

SUBSTITUTIONS/SCRATCHES

The scratch deadline is 5pm on Wednesday, April 4. Substitutions will be allowed until the scratch deadline in cases of injury/sickness/schedule conflict to an entered athlete. If a substitution occurs after the scratch deadline, the athlete being removed will be removed from all other entries for the meet. Therefore, make substitutions/scratches before the scratch deadline. Please email scratches/substitutions to Ryan Cole at robert.ryan.cole@asu.edu.

HEAT SHEETS

Heat sheets will be posted at <http://thesundevils.cstv.com/sports/c-track/asu-c-track-body.html> on Tuesday, April 3, at 12pm. Finalized heat sheets will be available in meet packets and at the event on Thursday, April 5.

PACKET PICK-UP

Packets will be available at 9am the main entrance to Sun Angel Stadium (north end of the facility near the baseball stadium) as teams arrive for the competition. Payment must have been received or exchanged to pick up packet. Packets will contain two copies of heat sheets, an entry fee receipt, competitor wristbands for each entered athlete, four coaching wristbands per gender, and two support staff wristbands per gender (team managers, trainers, etc). Each packet will also include three coaching hospitality passes per gender. Instructions for event finals held on Saturday, April 7, will also be included. Awards for Thursday's finals will be available at the conclusion of Thursday's schedule, as well as access wristbands for Saturday's finals for qualifiers, coaches, and relevant support staff.

FACILITY

Sun Angel Stadium features a brand new (installed January 2012) Mondo FTX surface. There are nine lanes with juxtaposed color-schemes to distinguish relay exchange zones. All field event runways are also Mondo FTX surfaces. Dual discus and shot put rings are concrete; competition ring will be designated on day of competition. Dual competition zones will run simultaneously for the shot put, long jump, triple jump, high jump, and pole vault. Starting blocks and shot puts will be provided at the facility.

WARM-UP/STAGING AREA: Athletes are required to check-in to the warm-up/staging area beneath the stands at least 10min prior to the scheduled event start time. Hurdles and starting blocks will be available in the warm-up area. All running events will have a 'sweats off' policy when leaving the staging area for competition. Field event flights will be escorted to completion zones and will remain in the competition area until flight is complete before being escorted out of competition area. Field

event athlete may bring their sweats into the competition zone. Only currently competing flights will be in the competition zone. Spikes must pass inspection prior to check-in; only ¼” pyramid spikes are allowed on the track and field event surfaces. **ABSOLUTELY NO NEEDLES.** The appropriate spikes will be available at check-in for \$2.00 for 12 or \$10 per bag of 100. Failure to adhere to the spike policy may result in disqualification from specific event and/or team removal from the competition. This policy is in place to protect the longevity of the track surface.

TEAM CAMPS: Please set up team camps on the east side of the track facility between the backstretch and Rural Rd. No tents in the stands.

TRACK ACCESS: Track access will be limited to the athlete release point located next to the grandstands on the home straightaway. Athlete will be escorted to the release point for competition from the warm-up/staging area. There is no track access for non-competitors or athlete not preparing/finishing competition. All athlete will exit the competition to the southwest end after competing or escorted off after field event completion.

ATHLETE FLOW: Athletes will gain track access when released by the meet escort at the track access point. Upon completing a race, athlete will exit the facility to the south end of the home straightaway. Field event competitors will be escorted on and off to relevant competition areas.

COACHING BOXES: Coaches will not be allowed onto the infield during competition. Coaching boxes will be designated at key points and reserved for coaches with athletes competing in ongoing field events.

COACHING HOSPITALITY: Each school will receive three hospitality passes per gender for Sun Angel Coaching Hospitality. Refreshments will be set out at 12pm and 5pm and will remain while quantities last on a first-come, first-serve basis.

TRACK EVENTS

Lanes will be assigned for preliminaries in the 100, 200, 400 and hurdle races. Lane assignments will be available in online heat sheets as well as in team packets. Lane assignments for all events with a Saturday, April 7, final will have random lane assignments for preliminary/qualifying rounds. The nine fastest times will advance to the finals in all lane races with select finals on Saturday [see below]. The 800 and 3200 relay will be an ally start with a one-turn stagger. The 1600, 3200, and 3200 relays will be a waterfall start with random heat placement. The 1600 relay start will be lanes with a three-turn stagger.

PREMIERE SUN ANGEL CLASSIC – APRIL 7, 2012

Individuals qualifying for finals in the below events will have packets available at the ‘packet pick-up’ table from 3:00pm – 6:30pm on Saturday, April 7. The table will be located at the Sun Angel Stadium entrance (same location as packet pick-up on Thursday, April 5). Each packet will contain wristbands for each athlete competing, four staff wristbands per gender qualified (ie four total if a male qualified, four if a female qualified...one school may get up to eight wristbands if both a male and female qualify). Saturday packets will also contain two coaching hospitality passes per gender qualified, and two copies of the Sun Angel Classic welcome booklet. Team scoring will rollover from the events completed on April 5 to combine with finalized results from April 7 to determine final team scores and standings. Saturday evening event winners receive a ‘Sun Angel Champion’ t-shirt and memento. Please keep team camps on the west side of the track facility during Saturday’s events.
