Clinic Format

The 2010 Arizona Track and Cross-Country Coaches Clinic is proud to present

Arizona's Best Coaches

The Executive Board made a decision that due to the economic conditions at schools this year we would do what we could to make the clinic affordable to all coaches.

With that goal in mind the 2010 clinic will be one day only Saturday January 9, 2010 .

The Cost has been reduced from \$90.00 to \$50.00.

We are also listening to your request to add more speakers with high school coaching backgrounds, so that you can see how their coaching style and philosophy fits into a high school season.

A large number of our presenters will be Arizona High School Coaches.

Over the past several years Arizona has emerged as one of the top states in producing cross-country and track and field athletes.

Track buffs might remember Dallas Long, Dwayne Evans, Nick Hysong as athletes who achieved at a world class level this is only the small sampling of great Arizona athletes.

Bernie Jackson, Eureka Hall, Jeff Canada, Cyland Simmons, Aaron Fox, George Anne Moline, Jacqueline Johnson, George Page, Kari Hardt, Christie Winkle, Jessica Onepunuka, Dwight Johnson, Brian Shrader, April Kubishta and others have come from Arizona High School Programs just like the yours.

Attend this years clinic and learn how other coaches achieve high level results.

We are bringing together coaches from all over the state to share with you how their program works.
